

## **KECHARA MEDIA & PUBLICATIONS**

Kechara Media & Publications Sdn Bhd is a publishing house under the spiritual direction of His Eminence Tsem Tulku Rinpoche, a Tibetan Lama from the illustrious 600-year-old Gaden Monastic University. First established in 2005 by a group of young and dedicated students, our vision is to bring the ancient wisdom of Buddhist teachings into the context of contemporary living.

We cater to diverse market segments with a variety of products which are universally appealing. Starting with the first English title *Why I Make Myself Unhappy*, published in 2005, Kechara Media & Publications has since produced a wide range of English and Chinese books, DVDs and box sets by His Eminence and selected authors.

Our brand of modern spirituality encourages the pursuit of a spiritual path without having to compromise one's lifestyle or religious and cultural background. It empowers individuals to achieve inner peace and personal development through easily applicable principles for daily practice. His Eminence's unique approach brings the Buddha's ancient wisdom to our very doorsteps.

Kechara Media & Publications, with a committed core team, is continuously researching new enabling technologies, applications on the Internet and other platforms of new media to make our products universally accessible. This includes an upcoming range of e-books, as well as e-learning and multimedia downloads. Our products can be found in all Kechara Paradise outlets, leading bookstores in Malaysia and Indonesia, and online at [VajraSecrets.com](http://VajraSecrets.com) and [Amazon.com](http://Amazon.com).
