

Kechara Forest Retreat

The Kechara Forest Retreat was conceptualised by H.E. Tsem Tulku Rinpoche as the heart of the Kechara organisation. It will be a place away from the hustle and bustle of the city; where anyone can take a break from our hectic lives and rest, relax and recharge at this beautiful holistic centre.

In the heart of Bentong, Pahang is a 35-acre retreat centre like no other in this region. It is a place designed to develop a perfect balance of total wellness – body, mind and spirit. Offering comfortable accommodation, extensive facilities and the promise of peace and tranquility, this is the perfect destination for the spiritual at heart.

We believe in giving back to society through educational programmes for the young and old, instilling universal positive values such as patience, tolerance, mindfulness and compassion. It is our fondest wish that all who walk through our doors return home inspired, sharing what they have learnt within their own communities, thus creating a global revolution of consciousness and kindness.
